

Sodium Bicarbonate: Gluten-Free Statement

This letter is to confirm that the manufacture of Genesis Alkali Sodium Bicarbonate (all grades) is based on the refining of trona ore, a naturally occurring mineral. Its purity is >99% with trace naturally occurring mineral content. This product is manufactured in a plant dedicated to the production of sodium bicarbonate. Neither the product nor the processing involves gluten-containing materials.

Read the product Safety Data Sheet (SDS) prior to using the chemical.
