Genesis Energy, L.P. Announces Increase to Previously Announced Tender Offer for its 7.750% Senior Notes due 2028

HOUSTON — (BUSINESS WIRE) — Genesis Energy, L.P. (NYSE: GEL) announced today, in connection with our previously announced cash tender offer (the “Tender Offer”) for our 7.750% Senior Notes due 2028 (“Notes”), that we have increased the maximum aggregate principal amount of Notes that we will accept for purchase in the Tender Offer from \$490 million to any and all of the Notes on the terms and conditions of the offer to purchase, dated as of February 18, 2026; and, as a result, there is no longer a limit on the maximum amount of Notes that we will purchase in the Tender Offer, acceptances of tendered Notes shall no longer be subject to proration, and we will accept any additional Notes tendered by holders after the Early Tender Deadline (as defined below) (as amended by the terms set forth herein, the “Offer to Purchase”).

Notes validly tendered and not validly withdrawn at or prior to 5:00 p.m., New York City time, on March 3, 2026, unless extended (such time and date as the same may be extended the “Early Tender Deadline”), will be eligible to receive a purchase price of \$1,001.25 per \$1,000 principal amount of Notes tendered, including an early tender payment of \$30.00 per \$1,000 principal amount of the Notes tendered. Notes validly tendered and not validly withdrawn after the Early Tender Deadline but at or prior to 5:00 p.m., New York City time, on March 18, 2026, unless extended or earlier terminated (such time and date as the same may be extended the “Expiration Time”), will be eligible to receive a purchase price of \$971.25 per \$1,000 principal amount of Notes tendered. Tendering holders will also receive accrued and unpaid interest from the last interest payment date to, but not including, the applicable settlement date. Settlement for the Notes validly tendered and not validly withdrawn by the Early Tender Deadline is expected to occur on March 5, 2026 and settlement for the Notes validly tendered and not validly withdrawn after the Early Tender Deadline but at or prior to the Expiration Time is expected to occur on March 20, 2026, in each case assuming the Early Tender Deadline and Expiration Time, respectively, are not extended by us and that the Tender Offer is not terminated by us.

The Tender Offer is contingent upon, among other things, the receipt by us after the date hereof of net proceeds from one or more offerings of senior notes by us (the “Financing”) which will provide us with an amount of funds that is sufficient in our reasonable discretion to fund the purchase of all the Notes that would be accepted for payment in the Tender Offer, assuming the Tender Offer were fully subscribed. The Tender Offer is not conditioned on any minimum amount of Notes being tendered. We may amend, extend or terminate the Tender Offer in our sole discretion, subject to applicable law. We expressly reserve the right, in our sole discretion, subject to applicable law, to terminate the Tender Offer at any time prior to the

Expiration Time. We will not be required to purchase any of the Notes tendered unless certain conditions have been satisfied.

We currently intend to call for redemption any and all of the Notes that remain outstanding following the consummation or termination of the Tender Offer in accordance with the terms and conditions of the indenture governing the Notes. Notwithstanding the foregoing, we have the right, but not the obligation, to purchase or redeem any of the Notes that remain outstanding after the Tender Offer; and, in the case of redemption, the selection of any particular redemption date is in our discretion. We cannot assure you that we will redeem the Notes. This press release does not constitute a notice of redemption under the indenture governing the Notes. Any redemption of the Notes would be made only by and pursuant to the terms of the applicable notice of redemption and the indenture governing the Notes.

Subject to certain exceptions, tendered Notes can only be withdrawn before 5:00 p.m., New York City time, on the Early Tender Deadline, unless extended (such time and date as the same may be extended the “Withdrawal Deadline”). Following the Withdrawal Deadline, holders who have tendered their Notes may not withdraw such Notes unless we are required to extend withdrawal rights under applicable law.

In connection with the Tender Offer, we have retained BofA Securities, Inc. as the Dealer Manager. King & Co., Inc., the Tender Agent and Information Agent for the Tender Offer, at (800) 817-5468 (toll free).

This announcement supersedes our prior announcement dated February 18, 2026 pertaining to the Tender Offer.

This press release is not an offer to purchase or a solicitation of an offer to sell with respect to any Notes or any other securities. Any offer to purchase the Notes will be made by means of an Offer to Purchase. No offer to purchase will be made in any jurisdiction in which such an offer to purchase would be unlawful. In addition, nothing contained herein constitutes a notice of redemption of the Notes. No recommendation is made as to whether holders of the Notes should tender their Notes.
