Genesis Energy, L.P. Announces Tender Offer for Any and All of Aggregate Principal Amount of Its 6.750% Senior Notes Due 2022

HOUSTON — (BUSINESS WIRE) — Genesis Energy, L.P. (NYSE: GEL) today announced the commencement of a cash tender offer to purchase any and all of the outstanding aggregate principal amount of the 6.750% senior unsecured notes due 2022 that we co-issued with our subsidiary, Genesis Energy Finance Corporation. As of January 8, 2020, \$750,000,000 aggregate principal amount of the notes were outstanding. The tender offer is being made pursuant to an offer to purchase and a related letter of transmittal, each dated as of January 8, 2020, and notice of guaranteed delivery. The tender offer will expire at 5:00 p.m., New York City time, on January 15, 2020, unless extended (the “Expiration Time”). Settlement is expected to occur on January 16, 2020.

Holders of notes that are validly tendered and accepted at or prior to the Expiration Time will receive in cash the total consideration of \$1,019.88 per \$1,000 principal amount of notes, plus any accrued and unpaid interest up to, but not including, the settlement date.

The settlement date will occur after the interest payment record date falling on January 15, 2020, but before the relevant interest payment date falling on February 1, 2020. Holders who tender notes that they held on the January 15, 2020 record date and which are accepted for purchase pursuant to the tender offer will not receive any accrued and unpaid interest on such notes on the February 1, 2020 interest payment date, but instead will receive such interest on the settlement date.

The tender offer is contingent upon, among other things, our successful completion of one or more debt financing transactions, including potential debt securities offerings, in an amount sufficient to fund the purchase of validly tendered notes accepted for purchase in the tender offer and to pay all fees and expenses associated with such financing and the tender offer. The tender offer is not conditioned on any minimum amount of notes being tendered. We may amend, extend or terminate the tender offer in our sole discretion.

Tendered notes may be withdrawn at any time prior to the Expiration Time. This press release is neither an offer to purchase nor a solicitation of an offer to sell any notes.
