AUDIT COMMITTEE
CHARTER**

I. PURPOSE

The Audit Committee (the “*Committee*”) is appointed by the board of managers (the “*Board*,” and each member of the Board, a “*director*”) of Genesis Energy, LLC (the “*Company*”), sole general partner of Genesis Energy, L.P. (the “*Partnership*”), to oversee the accounting and financial reporting of the Partnership and the audits of the financial statements of the Partnership, including assisting the Board in overseeing:

A. Accounting, Financial Reporting and Audits

1. The integrity of the Partnership’s financial statements.
2. The performance of the Partnership’s internal audit function.
3. The independent auditor’s qualifications, independence and performance.

B. Legal Requirements, Ethics and Risk Management

In addition, the Committee shall assist the Board in overseeing:

1. The Partnership’s compliance with legal and regulatory requirements.
2. The Partnership’s codes of conduct and ethics guidelines and policies.
3. The Partnership’s policies and guidelines with respect to risk assessment and risk management.

In performing its duties, the Committee shall seek to maintain an open avenue of communication among the Board, the independent auditor, the internal auditors and the management of the Partnership and the Company.

The Audit Committee shall prepare the audit committee report for inclusion in the Partnership’s filings with the Securities and Exchange Commission (the “*SEC*”) as required by any applicable rules and regulations of the SEC.

While the Committee has the responsibilities and authority set forth in this Charter, management and the independent auditor are responsible for planning or conducting audits and determining that the Partnership’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles (“*GAAP*”). Nothing contained in this Charter is intended to expand applicable standards of liability under statutory or regulatory requirements for the directors of the Company or members of the Committee.

II. COMPOSITION

The Committee shall be comprised of three or more members (including a Chairperson). The members of the Committee shall meet the independence requirements of the New York

Stock Exchange and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the “*Exchange Act*”). No member of the Committee shall have participated in the preparation of the financial statements of the Partnership or the Company or any current subsidiary of the Partnership or the Company at any time during the past three years. The members of the Committee and the Chairperson shall be appointed by the Board and serve at the pleasure of the Board. A Committee member (including the Chairperson) may be removed at any time, with or without cause, by the Board. The Board may designate one or more independent directors as alternate members of the Committee. If any director serving on the Committee is also serving on the audit committee of three or more other public companies and the rules of the exchange(s) on which the Partnership’s securities are listed or traded (collectively, the “*Exchange*”) as in effect from time to time so require, the Board shall make a determination, as promptly as practicable following the time when the Partnership becomes aware of such circumstance and thereafter on a periodic basis but no less frequently than annually, that such simultaneous service does not impair the ability of such director to effectively serve on the Committee and shall disclose such determination on the Partnership’s website or in its annual report on Form 10-K.

To the extent required by the rules of the Exchange as in effect from time to time, (i) all members of the Committee shall be financially literate, as determined by the Board, and (ii) all members of the Committee shall be able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement. The Committee shall endeavor to have at least one member who is an “audit committee financial expert” as defined by the SEC, and to the extent required by the rules of the Exchange as in effect from time to time, at least one member of the Committee shall (i) have accounting or related financial management expertise, as determined by the Board, and (ii) be financially sophisticated, in that he or she has past employment experience in finance or accounting, requisite professional certification in accounting or any other comparable experience or background which results in the individual’s financial sophistication (including but not limited to being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities). The Chairperson shall maintain regular communication with the chief executive officer, chief financial officer, the lead partner of the independent auditor and the senior officer responsible for the internal audit function.

If a member of the Committee ceases to be independent for reasons outside the member’s reasonable control, his or her membership on the Committee may, if so permitted under the rules of the Exchange as in effect from time to time, continue until one year from the occurrence of the event that caused the failure to qualify as independent.

III. MEETINGS

The Committee shall meet as often as it determines necessary, but at least once each fiscal quarter, to enable it to fulfill its responsibilities. The Committee shall meet at the call of its Chairperson and shall be governed by the same rules regarding notice of meetings and waiver of notice as are applicable to the Board. The Committee may meet by telephone conference call or by any other means permitted by law and the Company’s Second Amended and Restated Limited Liability Company Agreement, as currently in effect and as it may be amended or modified from time to time (the “*LLC Agreement*”). A majority of the members of the Committee shall constitute a quorum. The Committee shall act on the affirmative vote of a majority of members present at a meeting at which a quorum is present. Subject to the LLC Agreement, the Committee may act by unanimous written consent of all members in lieu of a meeting. Subject

to the LLC Agreement, the Committee shall determine its own rules and procedures, including designation of a chairperson pro tempore in the absence of the Chairperson, and designation of a secretary. The secretary need not be a member of the Committee and shall attend Committee meetings and prepare minutes. The Committee shall keep written minutes of its meetings, which shall be recorded or filed with the books and records of the Company. Any member of the Board shall be provided with copies of such Committee minutes if requested.

The Committee may ask members of management, employees, outside counsel, the independent auditor, internal auditors or others whose advice and counsel are relevant to the issues then being considered by the Committee, to attend any meetings and to provide such pertinent information as the Committee may request.

The Chairperson of the Committee shall be responsible for leadership of the Committee, including preparing the agenda, presiding over Committee meetings, making Committee assignments and regularly reporting the Committee's actions, including any significant issues or concerns that arise at meetings, to the Board.

As part of its responsibility to foster free and open communication, the Committee shall meet periodically with management, the internal auditors and the independent auditor in separate executive sessions.

IV. RESPONSIBILITIES

The purpose of Auditing Standard No. 18 is to improve the way auditors evaluate public disclosure about relationships and transactions with related parties and decrease the risks of material misstatement associated with a company's relationships and transactions with related parties. Among other items, this new auditing standard requires the auditors to:

- perform specific procedures to obtain an understanding of the company's relationships and transactions with related parties;
- evaluate whether the company properly identified its related parties and its relationships and transactions with related parties;
- perform additional procedures if the auditor determines the existence of a related party, relationship or transaction that was not previously disclosed to it;
- perform additional procedures for each related party transaction that is either required to be disclosed in the financial statements or determined to be a significant risk; and
- communicate this information to the audit committee.

Under Auditing Standard No. 18, the auditors must also communicate to the audit committee significant issues in the audit relating to related party transactions, including whether they identified any significant related party transactions:

- that had not been authorized or approved in accordance with the company's related party transaction policies or procedures;
- that were exempted from the company's related party transaction policies or procedures; or

The independent auditor shall report directly to the Committee.

In evaluating the independent auditor's qualifications, performance and independence with respect to each fiscal year, the Committee should (and shall, to the extent required by the rules of the Exchange as in effect from time to time) (i) discuss with the independent auditor the independent auditor's independence, including with respect to any disclosed relationships or services that may impact its objectivity, (ii) receive from the independent auditor a formal written statement delineating all relationships between the independent auditor and the Partnership and the Company, and individuals in financial reporting oversight roles at the Partnership or the Company, that may reasonably be thought to bear on the auditor's independence, (iii) take into account the opinions of management and the internal auditors and (iv) consider whether the independent auditor's quality controls are sufficient and whether the provision of permitted non-audit services is compatible with maintaining the auditor's independence. The Committee shall present its conclusions with respect to the independent auditor to the Board.

The Committee may, when it deems appropriate, form and delegate this authority to a subcommittee consisting of one or more Committee members, including the authority to grant preapprovals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant preapprovals shall be presented to the full Committee at its next meeting.
